Address: Sirisewana, Galle Road, Bentota

Motivated fresher currently pursuing a B.Sc. in Applied Science at Rajarata University, specializing in Industrial Mathematics, Statistics, and Computer Science. Eager to learn and grow in the field of cloud computing. Possesses strong analytical thinking, a willingness to take on challenges, and a passion for technology. Looking for opportunities to gain foundational experience and develop skills relevant to cloud engineering.

### **Project Chair – NextChapter 1.0**

IEEE Student Branch of Rajarata University Sri Lanka

- Organized and led a university-level student development project, managing event planning, logistics, and team collaboration. Gained leadership experience, improved organizational skills, and learned how to drive student engagement effectively.

### **Batch Representative & Coordinator – Computer Science Stream**

## **Professional Experience**

Rajarata University of Sri Lanka

- Acted as the communication bridge between lecturers and students. Managed class updates, academic coordination, and peer concerns. Strengthened communication, responsibility, and teamwork skills while representing my batch.

### **Designer – Career Compass Session for O/L Students**

Collaborated with the IEEE Student Branch of Rajarata University in partnership with IEEE Sri Lanka Inspire

- Designed promotional and educational content for a school outreach program, in collaboration with the EEE Student Branch and IEEE Sri Lanka Inspire. Gained hands-on experience in creative design, teamwork, and impactful community outreach.

---

### **Rajarata University Sri Lanka | 2024-2027**

Undergraduate student Bachelor of Science (Hons) in Applied Science

## **Education**
